

MASTER SERVICE AGREEMENT

This **Master Service Agreement** is entered into by and between YOU (CUSTOMER), hereinafter referred to as "CUSTOMER" and, **Global Data Systems, Inc** a Louisiana Corporation referred to and defined throughout this Contract as "GDS," with an office address of 310 Laser Lane, Lafayette, Louisiana, 70507. CUSTOMER and GDS may be referred to individually as "Party" or collectively as "Parties." CUSTOMER and GDS agree that:

WITNESSETH

WHEREAS, GDS is engaged in, among other things, the business of providing satellite, telephone, data circuit, communication, network and other, installation, rental, managed and consulting services as well as renting, selling and providing equipment and products;

WHEREAS, CUSTOMER desires to hire GDS to provide certain Services and/or obtain Products from GDS;

NOW, THEREFORE, in consideration of the mutual promises set forth below, the Parties hereby agree to the terms and conditions as follows:

AGREEMENT

- 1 EXPRESS TERMS: This Contract (as defined below in Section 1.2) contemplates that CUSTOMER may from time to time request that GDS perform or provide work or services ("Services") or provide equipment, goods or materials ("Products") on a non-exclusive basis under the terms written hereunder which shall determine the rights of the Parties regardless of contrary terms in any rate schedules or other documents which may relate, directly or indirectly, to GDS's performance under this Contract as hereinafter defined.
 - 1.1 This Contract shall control and govern all Services performed and to be performed, and all Products furnished or to be furnished, by GDS through CUSTOMER's acceptance of GDS quotations or statements of work (hereinafter collectively or separately referred to as "Quote"). CUSTOMER may accept Quotes by use of purchase orders, services orders, or similar orders, whether oral, written or electronic. Such a Quote may include terms pertaining to quantity, price, time, location, description, commencement and completion of Services, or specific requirements with respect to Products, personnel, items to be furnished, compensation and other terms. However, this Contract does not obligate CUSTOMER to order or authorize such Services or Products, nor does it obligate GDS to accept or agree to the same.
 - 1.2 The term "Contract" as used herein shall include this Master Service Agreement and all Exhibits attached hereto, any Quote issued by GDS and accepted by CUSTOMER in accordance with Section 1.5 below, and any instructions, requisitions or other documents issued by GDS to CUSTOMER ("GDS Document"). In the event that any provisions of a Quote, or other GDS Document, conflicts with this Master Service Agreement, then this Master Service Agreement shall prevail. In the event that any provisions of a GDS Document conflicts with a Quote, then the Quote shall prevail.
 - 1.3 The provisions set forth in this Contract shall constitute the complete and exclusive statement of the terms of the agreement between GDS and CUSTOMER with respect to the subject matter of this Contract. Any additional or different terms proposed by CUSTOMER in any memorandum, writing, order, acknowledgement, or other document are hereby deemed to be material alterations to this Contract, and GDS hereby gives notice of objection to such proposed terms, which terms shall be void and of no effect.
 - 1.4 This Contract may be amended only in writing, such amendment having been signed by an authorized representative of each Party or as set forth in Paragraph 1.5 hereof.
 - 1.5 CUSTOMER agrees that GDS may deliver to CUSTOMER any Quote for Services and/or Products by hand delivery, by the U.S. mail, or by email, fax or any other electronic method. CUSTOMER shall be bound by and deemed to have accepted all terms and conditions of the Quote (1) as of the time CUSTOMER signs the Quote, or (2) whether or not CUSTOMER signs the Quote, as soon as CUSTOMER requests and GDS commences the performance of the Services or the provision of the Products pursuant thereto, whichever occurs first.

- 1.6 The term "GDS GROUP" as used throughout this Contract, means GDS, its affiliates, successors, assigns, and its and their partners, joint ventures and joint owners, and each of its and their contractors and subcontractors and invitees (other than any member of CUSTOMER GROUP), and all their respective directors, officers, consultants, agents, servants, employees and insurers (But only to the extent such insurers provide insurance coverage for the liabilities of any of the foregoing).
- 1.7 The term "CUSTOMER GROUP" as used throughout this Contract, means CUSTOMER, its affiliates, successors, assigns, and its and their partners, joint ventures and joint owners, and each of its and their contractors, subcontractors, other contractors and invitees, all their respective directors, officers, agents, servants, employees and insurers (But only to the extent such insurers provide insurance coverage for the liabilities of any of the foregoing).
- 1.8 The term "AFFILIATE" as used throughout this Contract, means an entity which controls, or is controlled by, or which is controlled by an entity which controls, a party hereto. The term "CONTROL," as used in this definition, means the ownership directly or indirectly of more than 50 percent of the voting rights in an entity.
- 2 CONDITIONS FOR SERVICES AND PRODUCTS:
- 2.1 GDS may, at its sole discretion, add, delete or modify the portfolio of Services made available to CUSTOMER under the Contract.
- 2.2 INSTALLATION AND MAINTENANCE OF SERVICES AND PRODUCTS:
- 2.2.1 GDS and CUSTOMER will agree on a mutually convenient date for provision of the Services and Products ("Due Date"). In the event the Due Date is delayed, GDS and CUSTOMER will agree upon a new Due Date. In no event will GDS be liable for failure to meet the Due Date when such failure is due to an act or omission by CUSTOMER. CUSTOMER will reimburse GDS for all out-of-pocket expenses incurred by GDS in relation to a failure to meet the Due Date caused by CUSTOMER. CUSTOMER's sole remedy for a failure by GDS to either provide Services or Products by the Due Date or to provide Services during the contracted term for such Services, will be for the CUSTOMER to request an Outage Credit, as defined in Article 6.
- 2.2.2 GDS and CUSTOMER have mutually agreed upon timelines as dictated either by the Contract or other written document as permitted under Section 1.3 above. Should CUSTOMER, for any reason, require or anticipate a shift in their timeline, GDS requires written notification within a minimum of ten (10) business days prior to scheduled work commencing. Should CUSTOMER not provide GDS proper timely written notification, a Penalty Fee of two percent (2%) of the total price of the project shall apply per day for each day of failure to notify GDS of the new timeline, up to a maximum of ten percent (10%) of the total price of the project.
- 2.2.3 Unless stated on the Quote, installation services will be provided by GDS or its subcontractors, on a time and materials basis at GDS's then current rates for labor.
- 2.2.4 As required by the Quote, GDS will provide maintenance services in relation to the Services or Products. On-site maintenance will be made available on a time and materials basis at GDS's then current rates for labor, or at the rates set forth in the applicable Quote. CUSTOMER agrees to comply with all reasonable instructions that GDS may give, from time to time, and to provide all necessary assistance to GDS in diagnosing any Service or Product problems.
- 2.2.5 Where required by law or regulations or at the request of GDS, CUSTOMER will install, maintain and/or pay reasonable expenses incurred by GDS to provide special facilities and protective apparatus at locations involving high voltage power and/or hazardous materials.
- 2.3 Conditions for specific Services and Products are contained in Exhibit A.
- 3 FLOOR SPACE, CONDUIT ACCESS, AND ELECTRICAL POWER:
- 3.1 CUSTOMER shall provide at its own expense to GDS the proper environment, lightning protection, crane (if necessary), space, electrical power, and telecommunications connections, equipment space, supporting structures, lighting, inside wiring, and unimpeded access to and egress from its premises required to install, operate, repair, maintain, inspect, re-provision, disconnect and remove any Product or to provide any Services. These provisions must be made available to GDS in sufficient time to permit the installation, maintenance or disconnection of any Product in accordance with the Due Date.
- 3.2 At the sole discretion of GDS, obligations assumed by GDS to perform installation, maintenance or disconnection shall be relieved in their entirety or amended, if CUSTOMER fails to provide the necessary access and equipment.
- 4 USE OF CUSTOMER EQUIPMENT:
- 4.1 Title to all equipment and facilities that GDS uses to provide the Services will remain with GDS.

- 4.2 If CUSTOMER connects its own equipment to GDS's network, CUSTOMER must ensure that such equipment is compatible with and does not harm, impair or interfere with the technical integrity of the Services, GDS's network or its Suppliers network(s), or any other Services of other customers of GDS.
- 4.3 CUSTOMER is responsible for the compatibility of its equipment with the network and failure to do so will constitute breach by CUSTOMER of this Contract.
- 4.4 CUSTOMER shall provide and pay for all Product and Services required to connect CUSTOMER-provided equipment to the Services.
- 4.5 Notwithstanding the foregoing, CUSTOMER may, subject to GDS's consent, appoint GDS as its agent for purposes of procuring related telecommunications services, in particular, local exchange, backhaul, interexchange, or bypass carrier facilities ("Facilities") to terminate CUSTOMER's calls to CUSTOMER's designated location. CUSTOMER will be responsible for payment for all such Facilities. CUSTOMER shall be liable and responsible for all actions and obligations incurred on its behalf by GDS in its capacity as CUSTOMER's agent pursuant to this Article, and shall accept and pay GDS for all flow-through costs associated with such Facilities (or the termination of such services), including without limitation, all installation fees and monthly recurring fees, plus any applicable taxes. CUSTOMER acknowledges and agrees that GDS will have no liability or responsibility for any Facilities. Any service level parameters and related warranties, pricing, surcharges, outage credits, required commitments, termination liability and other terms relating to the Facilities are those of the third-party provider or carrier of such Facilities, and not GDS.
- 5 STAND-BY TIME:
- 5.1 Notwithstanding anything to the contrary in this Contract, and regardless of whether related to any warranty, under all circumstances CUSTOMER shall bear the cost of: (a) all offshore and overseas transportation expenses related to the provision of Services or Products, and (b) all Stand-By time incurred by GDS or its contractor personnel that is caused by or attributed to CUSTOMER, including without limitation, where caused by delays to or untimely cancellation of service calls.
- 5.2 For the purposes of this Article, Stand-By time includes the amount of hours, or portion thereof, incurred by GDS or its contractor personnel while waiting for (i) transport to and from an offshore location; or (ii) access to the CUSTOMER's premises if required hereunder.
- 5.3 Stand-by time will be charged at GDS's then current rates for labor.
- 6 OUTAGE CREDITS:
- 6.1 An Outage for fixed satellite services is defined as a complete loss of the ability to originate or receive voice or data communications causing the service availability to fall below 99.5% in any twelve (12) month period.
- 6.2 Subject to Clause 6.3 below and unless otherwise stated in a Quote, a pro rata credit allowance ("Outage Credit") will be given to CUSTOMER for the total Outage period(s) during any given consecutive twelve (12) month period, not including the period permitted under the service availability commitment (e.g. for a service availability commitment of 99.5% in any given twelve (12) month period, Outages totaling 0.5% would not be subject to an Outage Credit).
- 6.3 For telephone and data circuit services, GDS will pass through to the CUSTOMER the service availability that it receives from its suppliers, if any. In the event of failure or degradation of a telephone or data circuit services service, GDS will pass through and credit CUSTOMER's account with a rebate equal to the rebate that GDS receives from its suppliers, if any.
- 6.4 An Outage Credit, if any, will be applied against the charges payable to GDS and will be expressly indicated on the final invoice to CUSTOMER of the calendar year in which Outage Credit applies, for the period of the Outage, or prorated portion thereof, after written request to GDS.
- 6.5 No other liability may in any event attach to GDS on account of interruption or failure to provide Services. All Outage Credit(s) will be treated as liquidated damages and not as penalties. Outage Credit(s) do not apply to Outages, (i) caused by Force Majeure, (ii) caused by the negligence of CUSTOMER or others authorized by CUSTOMER when using Services or Products, (iii) caused by power failures or similar occurrences, such as perforation activity, not provided by or attributable to GDS, (iv) occurring during periods when CUSTOMER has elected not to allow for testing or repair, (v) caused by rain fade, solar outages or flares, extreme weather, or damage to satellites, or (vi) caused by the failure of equipment or facilities not provided by GDS.
- 7 SOFTWARE LICENSE:
- 7.1 If applicable, upon installation of Services or Products, GDS grants to CUSTOMER a fully paid, non-exclusive, non- sub-licensable and non-transferable license and/or sublicense to use the software provided with the Services or Products, including any third-party software (the "Software"), for as long as CUSTOMER is entitled to use the Services or Products. CUSTOMER may use the Software only in machine-readable, object code form. Third party software may be subject to additional terms and conditions described in the applicable third-party software user documentation, and to the extent that those terms conflict with the terms of this Contract,

the third-party terms will control. CUSTOMER may use the Software only for internal business purposes and only in connection with the Services or Products. CUSTOMER may not assign, transfer, pledge, rent, share, copy or sublicense any of the Software. CUSTOMER further agrees not to reverse engineer, decompile, or otherwise attempt to discover the source code of the Software.

- 7.1.1 CUSTOMER may incur penalty for additional months of licensing if GDS is required to purchase equipment license(s) beyond the contract end date.
- 7.2 If the CUSTOMER using the Services, Products or Software is the U.S. Government, then the following restrictions apply:
 - 7.2.1 The Software provided is software developed at private expense and is not in the public domain.
 - 7.2.2 The Software is provided to non-Department of Defense government agencies with RESTRICTED RIGHTS and its supporting documentation is provided with LIMITED RIGHTS. Use, duplication, or disclosure by the Government is subject to the restrictions as set forth in subparagraph "C" of the Commercial Computer Software - Restricted Rights clause at FAR 52.227-19.
 - 7.2.3 In the event the Software is provided to a Department of Defense government agency, the Government's rights in the Software, supporting documentation, and technical data are governed by the restrictions in the Technical Data Commercial Items clauses at DFARS 252.227-7015 and DFARS 227.7202.
- 8 INTELLECTUAL PROPERTY: Other than as specifically set forth in Article 7 above, no licenses or any rights of any kind under any patent, copyright and rights to create derivative works, trademark, trade secret, service mark, mask works, or other form of intellectual property (collectively "Intellectual Property Rights") are granted by either Party or are to be implied by this Contract or arisen by estoppel.
- 9 WARRANTIES: EXCEPT AS SPECIFICALLY PROVIDED HEREIN, ALL WARRANTIES AND CONDITIONS, WHETHER EXPRESS OR IMPLIED, WRITTEN OR ORAL, ARISING BY STATUTE OR OTHERWISE, IN RESPECT TO THE SERVICES AND PRODUCTS OR THE GDS FACILITIES, INCLUDING, WITHOUT LIMITATION, WARRANTIES OF TITLE, NON-INFRINGEMENT, MERCHANTABILITY, DURABILITY OR FITNESS FOR A PARTICULAR PURPOSE ARE HEREBY DISCLAIMED.
- 10 INDEMNITY AND LIMITATION OF LIABILITY:
 - 10.1 **CUSTOMER'S INSURANCE OBLIGATIONS AND INDEMNITY OBLIGATIONS UNDER THIS CONTRACT ARE SEPARATE AND DIVISIBLE AND NOT DEPENDENT ON OR MODIFIED BY THE OTHER.**
 - 10.2 **EXCEPT FOR OUTAGE CREDITS AS SET FORTH IN ARTICLE 6, NEITHER GDS GROUP NOR ANY OF ITS SUPPLIERS AND THEIR RESPECTIVE OFFICERS, DIRECTORS, EMPLOYEES, REPRESENTATIVES, INSURERS, SUBSIDIARIES AND AFFILIATED (INCLUDING PARENT) COMPANIES, AND THEIR EMPLOYEES, REPRESENTATIVES, OFFICERS AND DIRECTORS, WILL BE LIABLE ON ANY BASIS WHATSOEVER FOR ANY INDIRECT, INCIDENTAL, CONSEQUENTIAL, RELIANCE, SPECIAL, PUNITIVE OR EXEMPLARY DAMAGES (INCLUDING BUT NOT LIMITED TO LOSS OF REVENUE OR PROFIT, LOSS ARISING FROM OR ATTRIBUTABLE TO FAILURE TO REALIZE ANTICIPATED SAVINGS, OR LOSS OF PRODUCTION, EQUIPMENT OR DATA) EVEN IF A PARTY KNEW OR HAS BEEN ADVISED OF THE POSSIBILITY OR LIKELIHOOD OF SUCH DAMAGES, IN CONNECTION WITH THE PROVISION OR FAILURE TO PROVIDE THE SERVICES OR PRODUCTS, FOR ANY REASON WHATSOEVER AND HOWSOEVER ARISING, INCLUDING GDS'S LIABILITY IN CONTRACT, TORT OR OTHERWISE, INCLUDING WITHOUT LIMITATION ANY LIABILITY FOR NEGLIGENCE, HOWSOEVER ARISING OUT OF OR IN CONNECTION WITH THE PERFORMANCE OF GDS'S OBLIGATIONS UNDER THIS AGREEMENT.**
 - 10.3 **GDS WILL PROTECT, DEFEND, INDEMNIFY AND HOLD HARMLESS CUSTOMER GROUP FROM AND AGAINST ALL CLAIMS, DEMANDS, CAUSES OF ACTIONS, LOSSES, EXPENSES (INCLUDING REASONABLE ATTORNEYS' FEES), AND DAMAGES OF ANY NATURE OR KIND INCURRED OR SUSTAINED BY ANY MEMBER OF GDS GROUP, OR THE AGENTS, EMPLOYEES, REPRESENTATIVES (INCLUDING THE SPOUSES OR RELATIVES OF ANY SUCH AGENTS, EMPLOYEES OR REPRESENTATIVES) OF GDS GROUP, DUE TO PERSONAL INJURY OR DEATH, OR DAMAGE, LOSS OR DESTRUCTION OF PROPERTY (EXCLUDING ANY PRODUCTS RENTED OR SOLD TO CUSTOMER BY GDS), WHETHER IN TORT, IN CONTRACT, OR OTHERWISE, ARISING OUT OF OR RELATED TO OR IN CONNECTION WITH THE SUBJECT MATTER OF THIS CONTRACT OR WITH THE SERVICES OR PRODUCTS, INCLUDING INGRESS, EGRESS, LOADING AND UNLOADING OF CARGO OR PERSONNEL, EVEN IF CAUSED BY THE SOLE, JOINT OR CONCURRENT NEGLIGENCE, FAULT, OMISSIONS, STRICT LIABILITY, DEFECT IN PREMISES (PRE-EXISTING OR OTHERWISE) ATTRIBUTABLE TO CUSTOMER GROUP. THE FOREGOING INDEMNITY WILL NOT APPLY TO PERSONAL INJURY OR DEATH, OR DAMAGE, LOSS OR DESTRUCTION OF PROPERTY CAUSED BY THE GROSS NEGLIGENCE OR WILFUL MISCONDUCT OF CUSTOMER GROUP.**
 - 10.4 **CUSTOMER WILL PROTECT, DEFEND, INDEMNIFY AND HOLD HARMLESS GDS GROUP FROM AND AGAINST ALL CLAIMS, DEMANDS, CAUSES OF ACTIONS, LOSSES, EXPENSES (INCLUDING REASONABLE ATTORNEYS'**

FEES), AND DAMAGES OF ANY NATURE OR KIND INCURRED OR SUSTAINED BY ANY MEMBER OF CUSTOMER GROUP, OR THE AGENTS, EMPLOYEES, REPRESENTATIVES (INCLUDING THE SPOUSES OR RELATIVES OF ANY SUCH AGENTS, EMPLOYEES OR REPRESENTATIVES) OF CUSTOMER GROUP, DUE TO PERSONAL INJURY OR DEATH, OR DAMAGE, LOSS OR DESTRUCTION OF PROPERTY, WHETHER IN TORT, IN CONTRACT, OR OTHERWISE, ARISING OUT OF OR RELATED TO OR IN CONNECTION WITH THE SUBJECT MATTER OF THIS CONTRACT OR WITH THE SERVICES OR PRODUCTS, INCLUDING INGRESS, EGRESS, LOADING AND UNLOADING OF CARGO OR PERSONNEL, EVEN IF CAUSED BY THE SOLE, JOINT OR CONCURRENT NEGLIGENCE, FAULT, OMISSIONS, STRICT LIABILITY, DEFECT IN PREMISES (PRE-EXISTING OR OTHERWISE) ATTRIBUTABLE TO GDS GROUP. THE FOREGOING INDEMNITY WILL NOT APPLY TO PERSONAL INJURY OR DEATH, OR DAMAGE, LOSS OR DESTRUCTION OF PROPERTY CAUSED BY THE GROSS NEGLIGENCE OR WILFUL MISCONDUCT OF GDS GROUP.

- 10.5 EXCEPT AS OTHERWISE PROVIDED IN THIS ARTICLE, GDS AND CUSTOMER WILL PROTECT, DEFEND, INDEMNIFY AND HOLD HARMLESS EACH OTHER FROM ALL THIRD-PARTY CLAIMS, DEMANDS, CAUSES OF ACTION, LOSSES AND EXPENSES (INCLUDING ATTORNEYS' FEES) OF EVERY TYPE AND CHARACTER FOR PERSONAL INJURY, DEATH OR LOSS OF OR DAMAGE TO PROPERTY, INCLUDING DAMAGE TO THE ENVIRONMENT, RESULTING FROM THE INDEMNITOR'S NEGLIGENCE OR WILLFUL MISCONDUCT. WHERE SUCH THIRD PARTY'S PERSONAL INJURY, DEATH OR LOSS OF OR DAMAGE TO PROPERTY RESULTS FROM THE JOINT NEGLIGENCE OR WILLFUL MISCONDUCT OF THE PARTIES, THE INDEMNITOR'S DUTY OF INDEMNIFICATION WILL BE IN PROPORTION TO ITS ALLOCABLE SHARE OF JOINT NEGLIGENCE OR WILLFUL MISCONDUCT. IF EITHER PARTY IS HELD STRICTLY LIABLE UNDER ANY APPLICABLE LAW, THE OTHER PARTY'S DUTY OF INDEMNIFICATION WILL BE IN THE SAME PROPORTION THAT ITS NEGLIGENCE OR WILLFUL MISCONDUCT CONTRIBUTED TO THE THIRD PARTY'S PERSONAL INJURY, DEATH OR LOSS OF OR DAMAGE TO PROPERTY. FOR THE AVOIDANCE OF DOUBT, WHERE GDS IS THE INDEMNITOR, THE INDEMNITEE IS CUSTOMER GROUP, AND WHERE CUSTOMER IS THE INDEMNITOR, THE INDEMNITEE IS GDS GROUP.
- 10.6 CUSTOMER AGREES TO INDEMNIFY AND DEFEND AND HOLD HARMLESS GDS AND ITS AFFILIATES, DIRECTORS, OFFICERS, AGENTS, EMPLOYEES, ASSIGNS AND SUPPLIERS FROM AND AGAINST ANY AND ALL LIABILITY, CLAIMS, ACTIONS, LOSSES, DAMAGES (INCLUDING DAMAGE TO PROPERTY AND PERSONAL INJURY) AND EXPENSES (INCLUDING ATTORNEYS' FEES) ARISING OUT OF OR RELATING TO
- 10.6.1 CUSTOMER'S USE OR MISUSE OF THE SERVICES AND/OR PRODUCTS, AND/OR
 - 10.6.2 CUSTOMER'S BREACH OF THESE TERMS AND CONDITIONS, EXCEPT TO THE EXTENT SUCH CLAIMS ARE BASED UPON THE GROSS NEGLIGENCE OR WILFUL MISCONDUCT OF GDS, AND/OR
 - 10.6.3 ANY CLAIMS OR ACTIONS FOR LIBEL, DEFAMATION, SLANDER, INVASION OF PRIVACY, PATENT, COPYRIGHT OR TRADEMARK INFRINGEMENT, OR THE VIOLATION OF ANY THIRD-PARTY INTELLECTUAL PROPERTY RIGHTS, ARISING IN CONNECTION WITH THE USE OR MISUSE OF THE SERVICES AND/OR PRODUCTS, AND/OR
 - 10.6.4 ANY CLAIM OR ACTION FOR PATENT INFRINGEMENT RESULTING FROM CUSTOMER'S USE (OR USE BY ANY OF ITS AFFILIATES, OR USE OF BY ANY OF ITS AFFILIATES, AGENTS, SUBCONTRACTORS, EMPLOYEES, ASSIGNS OR OTHERWISE) OF THE SERVICES AND/OR PRODUCTS IN COMBINATION WITH THE EQUIPMENT, HARDWARE, SOFTWARE, SYSTEMS, CABLING, FACILITIES OR SERVICES NOT PROVIDED HEREUNDER BY GDS.
- 10.7 EXCEPT FOR ANY INDEMNITY OBLIGATIONS OR A BREACH THEREOF, THE TOTAL, AGGREGATE LIABILITY OF GDS TO CUSTOMER FOR ANY AND ALL CLAIMS WHATSOEVER RELATED TO THE SERVICES AND/OR PRODUCTS OR THESE TERMS AND CONDITIONS FOR DAMAGES TO CUSTOMER (OR ANY AFFILIATE OF CUSTOMER) FOR ANY CLAIMS WHATSOEVER, REGARDLESS OF THE FORM OF ACTION, WHETHER IN CONTRACT, TORT (INCLUDING WITHOUT LIMITATION NEGLIGENCE), OR OTHERWISE, HOWSOEVER ARISING SHALL BE LIMITED TO DAMAGES ACTUALLY PROVEN AS DIRECTLY ATTRIBUTABLE TO GDS, AND FURTHER LIMITED TO AN AMOUNT EQUAL TO THE LAST THREE (3) MONTHS OF PAYMENTS MADE BY CUSTOMER TO GDS UNDER THESE TERMS AND CONDITIONS PRECEDING THE DATE OF ANY CLAIM MADE AGAINST GDS.
- 10.8 NOTWITHSTANDING ANY OTHER PROVISION IN THIS SECTION OR IN ANY OTHER PROVISION IN THIS CONTRACT, UNDER NO CIRCUMSTANCES WILL AN INDEMNITOR BE LIABLE OR RESPONSIBLE FOR THE CRIMINAL CONDUCT, INTENTIONAL CONDUCT, WILLFUL MISCONDUCT, GROSS NEGLIGENCE OR ANY CONDUCT OR ACT OR OMISSION WHICH MAY RESULT IN OR BE THE BASIS FOR PUNITIVE OR EXEMPLARY DAMAGES OF AN INDEMNITEE WITH RESPECT TO THE INDEMNITY OBLIGATIONS IN THIS CONTRACT.
- 10.9 TO THE EXTENT TEXAS LAW GOVERNS ANY PARTICULAR WORK ORDER UNDER THIS CONTRACT, CUSTOMER AND GDS AGREE THAT THEIR RESPECTIVE MUTUAL INDEMNITY AND RELEASE OBLIGATIONS CONTAINED IN THIS CONTRACT WILL BE SUPPORTED BY INSURANCE OR SELF-INSURANCE IN AMOUNTS OF NOT LESS THAN THE AMOUNTS REQUIRED OF CUSTOMER UNDER SECTION 11.

11 911/E911 CUSTOMER ACKNOWLEDGEMENTS AND DISCLAIMERS:

- 11.1 **911 AND 911: As used herein: “911” refers to basic 911 service in a location in which the emergency center is not equipped to receive the CUSTOMER’s telephone number and/or address; and “E911” refers to enhanced 911 service in locations which are so equipped and can receive the CUSTOMER’s telephone number and/or address.**
- 11.2 **ACKNOWLEDGEMENT OF NONTRADITIONAL 911, E911 SERVICES: CUSTOMER acknowledges that GDS’s equipment and Services do not support 911 and/or E911 emergency dialing or access to other emergency services in the same way that traditional wireline 911, E911 and other emergency dialing and functions work. The differences are detailed below, and CUSTOMER agrees to notify any potential user of the Services who may place calls using CUSTOMER’s Services of the 911, E911, and other emergency limitations, as well as the CUSTOMER dispatchable location registration and other obligations described herein.**
- 11.3 ALTERNATIVE MEANS: GDS advises CUSTOMER to maintain an alternative means of accessing traditional 911, E911 and other emergency services.
- 11.4 ELECTRICAL POWER: CUSTOMER acknowledges that the Services will not function in the absence of electrical power.
- 11.5 INTERNET ACCESS: CUSTOMER acknowledges that the Services will not function if there is an interruption of end user’s broadband or high-speed Internet access service. CUSTOMER acknowledges that the malfunction or failure of equipment, software or hardware necessary for end-to-end Internet functionality (e.g., routers, IP phones, analog gateways) can limit access to 911/E911.
- 11.6 NON-VOICE SYSTEMS: CUSTOMER acknowledges that the Services are not set up to function with outdialing systems including but not limited to home security systems; medical monitoring equipment; TTY (teletype), TDD (telecommunications device for the deaf), TT (text telephone) and similar equipment; and entertainment or satellite television systems. End user has no claim against GDS for interruption or disruption of such systems by the Services.
- 11.7 REGISTRATION OF PHYSICAL LOCATION REQUIRED: Customers who subscribe to GDS Service agree to register the physical location of their equipment with GDS initially through the provisioning process and for updates, by creating a customer support ticket via support-request@getgds.com or by calling our 24/7 NOC at 1+888-435-7986. CUSTOMER shall register street address and additional phone line-by-line information, including, as applicable, floor number, suite, apartment or office number, or similar detailed location information (“dispatchable location”). CUSTOMER shall update this detailed dispatchable location information immediately whenever the physical location of any device using the Service changes. When you change your location, it may take 48 hours or longer for your location change to be reflected in GDS’s records. During that time, you may not be able to reach the correct emergency services center or any emergency service provider by dialing 911.
- 11.8 Most post office box addresses are not eligible as validated 911 locations and CUSTOMER’s registered dispatchable location shall not be a mail drop or similar address.
- 11.9 CUSTOMER acknowledges:
- 11.9.1 That GDS’s only mechanism for routing 911, E911, or any other emergency calls directly to the correct emergency center (public safety answering point or “PSAP”) is the detailed physical dispatchable location information registered for the account at any given time;
 - 11.9.2 CUSTOMER agrees to assist GDS in validating a 911 registered dispatchable location address that has been rejected by the 911 provider;
 - 11.9.3 Neither 911, E911 nor any emergency calling service will be provided until CUSTOMER’s dispatchable location(s) has(have) been validated. Dispatchable location validation may take longer than 48 hours for newly constructed buildings, particularly locations where GDS has not previously established service;
 - 11.9.4 That any location passed directly by GDS to the PSAP by GDS will be the most recent physical dispatchable location registered by CUSTOMER;
 - 11.9.5 That it shall be CUSTOMER’s responsibility to update the detailed phone line-by-line dispatchable location information described in Section 11.7 above;
 - 11.9.6 If CUSTOMER moves to a new location and does not provide updated dispatchable location for a device, any 911 call made from that device may be sent to the PSAP nearest the last dispatchable location registered by customer, may transmit the wrong address, and may fail altogether; and
 - 11.9.7 That if CUSTOMER fails to provide and/or update such information and GDS becomes aware of such failure, GDS may, but will not be required to, route the caller to a national emergency call

center as a last resort. CUSTOMER shall pay all costs incurred by GDS for calls that are routed to a national emergency call center.

- 11.10 CUSTOMER acknowledges that it is the CUSTOMER's responsibility to provide and update dispatchable location information as detailed herein.
- 11.11 If CUSTOMER does not correctly identify the detailed physical dispatchable location, as described above, where the GDS equipment will be located at the time of activation of the Service or does not update that information upon a device moving to a new location, GDS 911 and/or E911 or other emergency communications may not be directed to the correct local emergency operator (public safety answering point or "PSAP"), may transmit the wrong address, and may fail altogether.
- 11.12 CUSTOMER also acknowledges that GDS 911 and E911 services have certain characteristics that distinguish them from traditional, legacy, circuit-switched 911 and E911 service. These characteristics may make GDS 911 and E911 services unsuitable for some customers. Because CUSTOMER circumstances vary widely, customers should carefully evaluate their own circumstances when deciding whether to rely solely upon GDS 911 and E911 service. CUSTOMER acknowledges that it is CUSTOMER'S responsibility to determine the technology or combination of technologies best suited to meet end CUSTOMER's emergency calling needs, and to make the necessary provisions for access to emergency calling services, such as maintaining a conventional landline phone or wireless phone as a backup means of completing emergency calls. The following characteristics are among those that distinguish GDS's 911 and E911 service from traditional, legacy, circuit-switched 911 and E911 service:
- 11.12.1 GDS's 911 and E911 service will not function if CUSTOMER's phone fails or is not configured correctly or if CUSTOMER's Service is not functioning for any reason, including, but not limited to, relocation of the end user's IP-compatible CPE, use by the end user of a non-native telephone number, an electrical power outage, broadband service outage, or suspension or disconnection of Service because of billing or other issues and delays that may occur in making a Registered Location available in or through the Automatic Location Information (ALI) database. If there is a power outage, CUSTOMER may be required to reset or reconfigure the equipment before being able to use the Service, including for 911 and/or E911 purposes.
- 11.12.2 Automatic Number identification ("ANI"). The local emergency service operator receiving GDS 911 and/or E911 emergency service calls may not have a system configured for E911 services or be able to capture and/or retain ANI. This means that the operator may not know the phone number of the person who is making the GDS 911 and/or E911 call. The PSAP and/or emergency personnel may be unable to identify CUSTOMER's telephone number in order to call CUSTOMER back in the event that an emergency call is unable to be completed, is dropped or disconnected, or if a caller is unable to speak to provide the telephone number from which the caller is calling, and/or if the Service is not operational for any reason including, without limitation, the reasons and situations listed elsewhere in this acknowledgement and this Agreement.
- 11.12.3 Automatic Location information ("ALI"). Due to limitations at PSAPs, the local emergency service operator receiving GDS 911 and/or E911 emergency service calls may not have a system configured for E911 services or be able to capture and/or retain ALI when CUSTOMER or any caller at CUSTOMER's premises dials 911. A caller must state the nature of the emergency promptly and clearly, including the caller's specific physical dispatchable location, as PSAP and emergency personnel may not have this information. PSAP and emergency personnel may not be able to find a caller's dispatchable location if the call is unable to be completed, is dropped, or disconnected, or if the caller is unable to speak to provide the location from which the caller is calling and/or if the Service is not operational for any reason including, without limitation, those reasons and situations listed elsewhere in this acknowledgement and this Agreement.
- 11.12.4 Due to technical factors in network design, and in the event of network congestion on the GDS network, there is a possibility that a GDS 911, E911, or other emergency call will produce a busy signal or will experience unexpected answering wait times and/or take longer to answer than 911, E911, or other emergency calls placed via traditional, legacy, circuit-switched telephone networks.
- 11.13 **NO ACCESS TO E911 OR 911 SERVICE:** Certain customers do not have access to either E911 service or 911 service. If CUSTOMER does not have access to 911 service or E911 service, the CUSTOMER's emergency call may be sent to a national emergency call center. In such case, a trained agent at the emergency call center will ask for CUSTOMER's name, telephone number and location and will then contact the local emergency center for such location in order to send help.
- 11.14 **USE OF SERVICE OFFSHORE AND OUTSIDE THE UNITED STATES:** CUSTOMER acknowledges that should a caller using the Service from offshore or outside the United States call 911, E911, or other emergency services, the call may not connect. CUSTOMER shall notify all end users (e.g., employees, business colleagues, guests and other persons who may be present at the location where CUSTOMER uses GDS Service) that 911, E911 and other emergency services may not be available at locations offshore and outside the United States and

that 911, E911 and emergency services may be limited in comparison to similar services available onshore in the United States. This includes locations at sea outside the United States or within the territorial waters of the United States but that do not have access to 911, E911 and other emergency services comparable to those available within the terrestrial United States.

- 11.15 CUSTOMER OBLIGATION TO PROVIDE EMAIL/TEXT CONTACTS FOR SIMULTANEOUS NOTIFICATION: In order for GDS to provide simultaneous notification of 911 and E911 calls to CUSTOMER as required by law, CUSTOMER shall provide an email address and/or text number of a location on-site or off-site where CUSTOMER is likely to see GDS's simultaneous location. If CUSTOMER fails to provide such an email address and/or text number, GDS shall not be liable for any failure by GDS to provide such simultaneous notification to CUSTOMER.
